

Research roundup - July 2013

Hello research supporter

As you know each month we compile some of our tweets about research as well as research news updates from our website.

Our website

‘Clear the path for ground breaking research’, report urges - <http://bit.ly/12lnNZT>

Upcoming events

Our North Eastern regional team is hosting an exciting research information day in **Stockton** on Saturday 20 July 2013. Find out more - <http://bit.ly/12cH4gf>

Want to get involved?

Find out how to get involved in the National Institute for Health Research’s new campaign – ‘**It’s okay to ask about clinical trials**’ - <http://bit.ly/16oMNP8>

Also in the news

Active brain ‘keeps dementia at bay’ - <http://bbc.in/14rH92C>

House of lords committee call for changes to ensure regenerative therapies reach patients - <http://bit.ly/128UIzP>

Human behaviour: is it all in the brain – or the mind? - <http://bit.ly/12yemVT>

BBC News: 3D high definition digital brain an amazing new tool for research - <http://bbc.in/11QfUeH>

BBC article: 'A Point Of View: Fly, Fish, Mouse and Worm' - <http://bbc.in/12wHLWg>

Arc protein 'could be key to memory loss', says study - <http://bbc.in/14qmI71>

Development of a protein to protect and restore nerve cell communications - <http://bit.ly/14fRT2U>

With best wishes,

Marina Marmolejo
