Parkinson's Awareness Week – 7th to 13th April: our week to tell the world what life is really like for people affected by Parkinson's. It also gives us the chance to let people know about Parkinson's UK and what we do. Watch out for events.

Branch Meeting – Wednesday 9th April, 2.00-4.00pm, Bellevue Chapel, Rodney Street, EH7 4EL. The intention is to identify activities, refinements or changes that could be done to further support members. We don't often get time to share views about ourselves as a community and how we can work more *together* to enhance the support members would like. Please use this date as an opportunity to do so.

There will also be brief performances by our Singing4fun and Dance for People with Parkinson's groups. Entry, which includes tea or coffee and scone, is £1.50 payable on the door, or tickets can be purchased in advance at our regular activities groups.
