
Subject: Research roundup September 2013

From: RSN (RSN@parkinsons.org.uk)

To:

Date: Friday, 6 September 2013, 15:47

Hello research supporter

As you know each month we compile some of our tweets about research as well as research news updates from our website.

Our website

- Research reveals potential for new Parkinson's drugs - <http://bit.ly/1dKM3PQ>
- 'Mini brain' grown from human stem cells - <http://bit.ly/19QIBPK>
- New funding announced to develop the next generation of Parkinson's treatments - <http://bit.ly/19dK8xH>
- New Parkinson's research to investigate iron-handling drug and tackle dyskinesia - <http://bit.ly/1511uO8>

Events

- Join us to find out about our research at the many exciting research events taking place in the coming months in **Derby, Sheffield, Oxford, Newcastle** and **Southampton**. Visit our 'Research events' page to find out more and book a place – www.parkinsons.org.uk/researchevents

Get involved

- Support researchers at the **University of Sheffield** by completing a short survey about psychosocial factors in Parkinson's for their study - <http://bit.ly/172CUfp>
- Listen to **Dr Oliver Bandmann**, a Parkinson's UK funded researcher, discussing his exciting research into potential new drugs to treat Parkinson's on BBC Radio Sheffield this week (1hr 14 mins 20s) - <http://bbc.in/16MHwGr>
- Watch a short video discussing whether **brain training** really can tackle thinking and memory problems in the elderly - <http://bit.ly/15ZcrzM>

Also in the news

- Mention for Parkinson's UK research in Wall Street Journal - <http://on.wsj.com/1ehxzVr>
- BBC News: 'Brain window' implant devised which would allow doctors to see through the skull and possibly treat patients - <http://bbc.in/1eap3aP>
- BBC: Protein clue to old-age memory loss - <http://bbc.in/15ilQoI>
- Researchers have found that fruit flies, often used in Parkinson's research, are genetically closer to us than we previously thought - <http://bit.ly/1eUgka4>

With best wishes,

Hannah Churchill

Research Communications Coordinator, London

Parkinson's UK, 215 Vauxhall Bridge Rd, London SW1V 1EJ
