What is a trustee?

2017 overview

- Another strong year
- Record income– raised over £33.5m
- Raising our profile
- Innovation – new products and new services
- Reaching more people. Now 4,000 members of Research Support Network.

Looking forward to 2018

- Step change in research
- A year of transformation
- Making the best of all our resources
- 'Making it happen' theme team

Better treatments and a cure
